## **Design Mark Industries Secures ISO 9001:2015 Certification**

WAREHAM, MA, ISSUED JANUARY 17, 2018...Design Mark Industries (<http://design-mark.com>), a leader in custom manufacturing electronic membrane switches and touch screens, recently earned renewed ISO 9001:2015 Certification, reissued on December 22, 2017, and valid until April 24, 2019.

The certificate, which was assessed and approved by National Quality Assurance, U.S.A. against the provisions of ISO 9001:2015, certified that Design Mark Industries applies a quality management system in line with the EN ISO 9001:2015 standard in the design and manufacturing of custom labels, graphic overlays and integrated membrane keypads.

Design Mark has been certified through NQA since 1998 and is also UL, CSA and ITAR registered.

The International Organization for Standardization, based in Geneva, Switzerland, is an independent, non-governmental international organization that “brings together experts to share knowledge and develop voluntary, consensus-based, market relevant International Standards that support innovation and provide solutions to global challenges.”

“We are proud to announce our re-certification against the provisions of ISO 9001:2015, which demonstrates Design Mark’s commitment to quality products and processes for our customers and employees,” said Renaud Megard, president and CEO of Design Mark Industries. “We are poised to tackle the challenging print jobs brought to us by the industrial controls and instrumentation, consumer electronics, automotive, military, and medical industries, and we are grateful that the International Organization for Standardization once again recognizes that our practices are aligned with their guidelines.”

### **About Design Mark Industries**

Design Mark Industries, established in 1971, is a custom touch-screen assembly/supplier of membrane switches and keypads, graphic overlays, labels, functional die-cuts, control panels, and touch screens. The firm additionally provides in-house design, engineering and prototyping services to support OEM customers in contract manufacturing for their products and projects. Industries served by the 47-year-old firm include electronics, medical devices and diagnostics, industrial equipment/vehicle controls, instrumentation, aerospace, government and military, automotive, and lighting and controls. The company holds ISO 9001:2015 certification and is also UL, CSA, and ITAR registered.

Design Mark Industries is located at 3 Kendrick Road, Wareham, MA 02571. For more information about Design Mark Industries, please visit [www.design-mark.com](http://www.design-mark.com) or call 800-451-3275.
